

# Home Teacher Materials Overview

## --- Introduction ---

---

This section gives additional information about Abeka Academy policies and procedures to help you with grading, recording, and submitting your student's

work in the **accredited program**. Please read all of the following information.

## --- General Information ---

---

### Course Requirements

1. For academic credit to be granted, a student must complete all courses in which he is enrolled.
2. Requests to change the enrollment (switching from Accredited to Independent Study) must be processed by our office. Please contact us if you have any questions regarding your student's enrollment.
3. **You must receive approval from Abeka Academy to drop a course** (only available in grades 9–12). Request must be made within

thirty days of your assigned begin date for no academic penalty. **Courses dropped after thirty days or without approval will receive a "withdrawn failing" grade.**

4. Because Abeka Academy's primary objective is to provide a distinctively Christian distance-learning education, **Bible is a required course**. Grades will not be issued in other courses unless Bible work is received for that grading period. The Authorized King James Version is used for all Bible courses and verse memorization.

## --- Getting Started ---

---

### Responsibilities of the Home Teacher

For the school year to run smoothly, it is important that you read the introductory information in the front of this manual and follow the instructions in the Daily Guides. At the end of each quarter, you will need to **organize and mail** your student's Progress Reports. (See Academic Calendar at [academy.abeka.com](http://academy.abeka.com))

### Student Schedule

You and your student may arrange the order of classes as you prefer. We have found the order listed below to be best for most students.

- |            |                       |
|------------|-----------------------|
| 1. Bible   | 4. Science            |
| 2. Math    | 5. History            |
| 3. English | 6. Physical Education |

You may want to **preview the first day's video lesson** and watch the first two weeks of lessons with your student to become familiar with the procedures the video teachers use and to ensure that your student is developing correct study habits.

**Remember that your student must watch all the video lessons for each course and that he may not complete a grade in less than six months. Abeka Academy will not issue credit if these guidelines are not followed.**

### Written Assignments

Require neat, legible work from your student. Do not accept messy work. Have him recopy any work that is poorly written or has too many corrections. Write in ink. When a mistake is made, neatly draw a line through it and rewrite the word. Do not write over a mistake to correct it.

# --- Grading Policies ---

## Administering Quizzes and Exams

You are responsible for giving and grading the oral verse quizzes. Listen to the student recite the selected verse from memory. Check for accuracy using the Bible Memory Verse Passages List in Appendix A. Grade each verse quiz using the following scale.

- Student knows verse / passage.
  - No errors or hesitation.....A+ / 100
  - Slight error or hesitation.....A / 95
- Student needs help.
  - Couple of small errors.....B / 85
  - Several errors or hesitation...C / 75
- Student is struggling.
  - Not sufficiently prepared.....D / 65
- Student doesn't know verse / passage.
  - Not prepared at all.....F / 59

Be sure to administer all pages of an exam, front and back. When your student has finished an exam, check for incomplete sections. It is the student's responsibility to complete all pages of each exam.

## Handling Graded Materials

Exams and answer keys are to be opened, administered, and stored only by you. They should not be left where your student will have access to them. **Student may not use the video manuals to plan his work.** Keep all exams in a locked location.

A student who cheats robs himself of a good education, and a home teacher who allows exams or answer keys to be available to a student does great harm to the student's character.

Because it is of the utmost importance to teach your student to be absolutely honest, follow these guidelines in giving a quiz or an exam.

- **Completely read the instructions** for Giving / Grading Quizzes and Exams in the front of this manual.
- **Remove the exams** from the book before the student takes them.
- **Closely supervise** all assessment periods. Do not leave your student alone with his materials.
- **Be sure all course materials** are out of sight while the student takes the quiz or exam. **Open-book quizzes / exams are not allowed.**
- **Do not** help your student with answers or procedures on any quiz or exam. If he needs any assistance at all, it should be only to explain the directions if he does not understand them. His work must be his own.

- **Quizzes and exams** cannot be retaken. If you think your student is not prepared, give extra help before the assessment is taken.

## Grading

When grading student work, please remember the following:

- **Grade quizzes and exams**, using the guidelines given in the front of this manual or teacher keys.
- **Graded original** exams (not copies) must be sent to the Abeka Academy office with the Progress Report.
- **Write the numerical grade** on the top of the exam page and on the Progress Report before sending it to Abeka Academy.
- **If you have a question** on one of your student's answers, put a question mark instead of a grade on the Progress Report. On the exam, make a note of your question.
- **Subtract 1 point** for each spelling error, up to 5 points for all exams.

## Grading Scale

A+	98–100	B	83–86	C–	70–72
A	93–97	B–	80–82	D+	67–69
A–	90–92	C+	77–79	D	60–66
B+	87–89	C	73–76	F	0–59

## Progress Reports

Two sets of Progress Reports are included in this appendix. They provide a convenient way for you to organize the grades and material that you must send to our office. The Progress Report must be sent to Abeka Academy as soon as the grading period is completed. (See Academic Calendar at [academy.abeka.com](http://academy.abeka.com) for expected schedule.)

The Home Teacher's Progress Reports are included for your records. If for some reason Abeka Academy does not receive the Progress Report, your copies will be *the only record of the student's work*. It is imperative that you take the following precautions:

- **Enter all grades on both sets of Progress Reports** before mailing the report.
- **Promptly mail Progress Reports** at the end of each grading period.
- **Keep all Home Teacher's Progress Reports** permanently.

**If these guidelines are not followed and work is not received, no grades or transcripts will be issued, and the student will be required to repeat the course.**

Progress Reports should include the following items:

- Progress Report sheet with all information entered.
- All original graded verses and content exams for the course.

Please note the following:

- **Send a Progress Report** only when all items on the Progress Report have been completed. Do not include student work with DVD returns.

- **Include all items** requested on each Progress Report sheet, or the grade will be lowered accordingly.
- **Return DVDs** (if applicable) as soon as all items on the final Progress Report have been completed. Full-year courses have three sets of DVDs.

Contact our office if a report card is not received within six weeks. Final report cards and transcripts cannot be completed until all work and all DVDs (if applicable) are received.
