

GETTING STARTED

Listed below are some suggestions to help you as you prepare for your standardized testing.

1. Inventory your tests.
 - Please take the time to check your invoice and make sure all items are included in your shipment. If you are missing any part of your shipment, please contact Abeka Testing within 10 days.
2. Maintain test security before, during, and after testing.
 - Only test administrators or students taking the test should have access to the testing materials.
 - Store test materials in a secure, locked area that is accessible only to authorized persons.
 - All test materials are protected by copyright laws.
 - Test content, whether actual or similar, should not be used for discussion, demonstration, review, practice, or any other reason.
 - Do not paraphrase or alter directions when administering tests.
 - Return test booklets, answer documents, and directions for administration via a traceable shipping method to Abeka Testing immediately after each test session. Tests must be received within 30 days from testing date.
3. Read through the directions for administration booklet. Please do not write in these books. If you need to make notes, please use a separate piece of paper or a sticky note.
4. Read through the instructions for supplemental coding on pages 5–6. Please code answer sheets before testing. If you have questions, please call Abeka Testing at 1-888-722-0044.
5. Administer the tests.
 - For the levels in which a separate answer document is provided, be sure not to write in the test booklets.
 - Be sure your students are using a No. 2 pencil.
