# You'll need...

#237507 Computer (with printer)

#235326 Printer paper
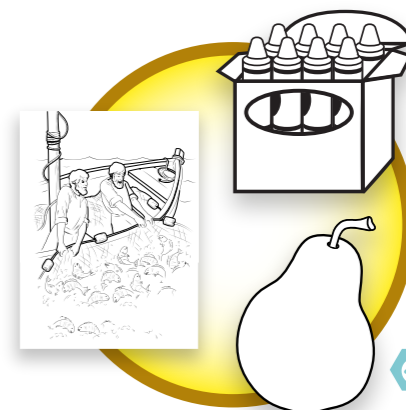

Step 1 — Finding Art for your Coloring Page

Find and download your favorite Digital Art from abeka.com
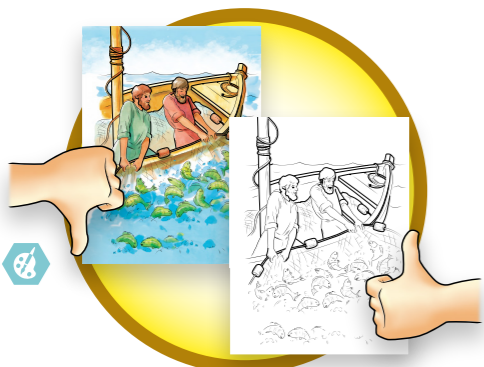

#232599

#229865
#209791
Make sure the complexity is age appropriate

Step 2 — Preparing your Coloring Page

#217662 Select the "line" version of the Art

PDF Adobe
Open the PDF using Adobe Reader

...or...

#237795
Insert into a word processor or layout software to add instructions

#211648 IDEA: • Adobe Reader comes on most computers by default. Download the newest version at Adobe's website.
• If using a word processor, on Windows choose the PNG file, and on Mac choose the PDF file.
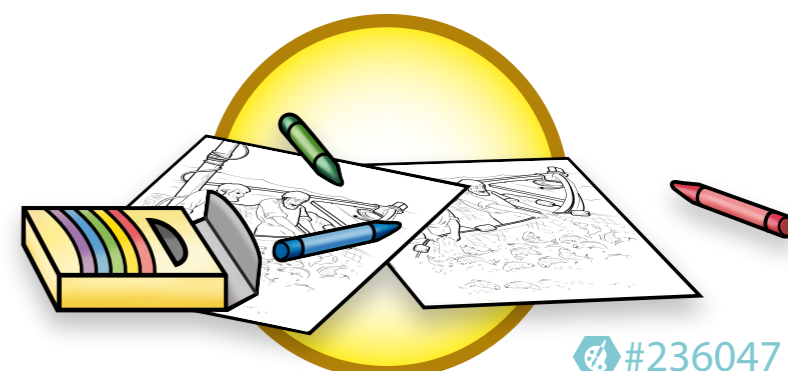

Step 3 — Printing your Coloring Page

Print multiple copies on printer

...or...

Print one copy and photocopy more
