

Why Attend In-Service Training?

"Very informative. I will be able to apply these strategies immediately. As a result of this training, I have more 'tools' to help me successfully implement the curriculum."
—Lorie L., Teacher

"Extremely practical. Great balance of biblical worldview and teaching strategy."
—Sid M., Principal

"Sessions were very clearly planned to a meticulous level. Both content and execution was stellar."
—Ben R., Teacher

"I feel so much more confident! The overwhelm of being lost on curriculum has passed! Thank you!"
—Rebekah W., Teacher

Refreshments & lunch provided

PRESCHOOL/KINDERGARTEN

Engaging, Easy-to-Follow Information

- Learn how to confidently teach preschool and kindergarten phonics, writing, Bible, numbers, and skills—even if it's your first year.
- Get easy-to-implement tips for keeping your students focused and learning each day, plus strategies for including digital technology.

 **FRIDAY, JULY 21, 2023** 8:30 a.m.–3:30 p.m.

Refreshments & lunch provided

ELEMENTARY (Grades 1–6)

Purposefully Practical Material

- Clarify the path from phonics to independent reading. *(Grades 1–2)*
- Strengthen your class reading time with strategic skill building techniques for comprehension, oral reading, and silent reading. *(Grades 3–6)*
- Build your toolkit for an effective and enjoyable year with discipline tips, curriculum guidance, and remediation recommendations.
- Master methods to teach arithmetic concepts and to use history, science, and health to show God's hand in everyday life.

SECONDARY (Grades 7–12)

Intensive, Interactive Sessions

- Strengthen the four fundamentals of teaching while learning new strategies to apply these principles.
- Explore the practical procedures and management techniques for creating a learning environment that fosters student growth.
- Consider how naturally the biblical worldview, critical thinking, and even remediation can be woven through each lesson.

SPECIAL AFTERNOON SESSION FOR ADMINISTRATORS AND PRINCIPALS

Continue the teacher training throughout the year. Gain practical helps for equipping teachers as they face the ever-fluctuating challenges of academics and discipline.
