

## Why Attend In-Service Training?

"Very informative. I will be able to apply these strategies immediately. As a result of this training, I have more 'tools' to help me successfully implement the curriculum."  
—Lorie L., Teacher

"Extremely practical. Great balance of biblical worldview and teaching strategy."  
—Sid M., Principal

"Sessions were very clearly planned to a meticulous level. Both content and execution was stellar."  
—Ben R., Teacher

"I feel so much more confident! The overwhelm of being lost on curriculum has passed! Thank you!"  
—Rebekah W., Teacher

# IN-SERVICE TRAINING

2023

*Equip yourself  
for a successful school year!*

Join us at  
**IN-SERVICE 2023**  
and earn six contact hours  
of educational training.

Content-rich sessions **encourage** and **help** teachers  
and administrators with techniques and methodology  
that **enhance classroom instruction and learning.**

 **NORTH VALLEY BAPTIST SCHOOLS**  
941 Clyde Avenue  
Santa Clara, CA 95054

 **THURSDAY, AUGUST 10, 2023** 8:30 a.m.–3:30 p.m.  
*Refreshments & lunch provided*

**PRESCHOOL/KINDERGARTEN**

**Engaging, Easy-to-Follow Information**

- Learn how to confidently teach preschool and kindergarten phonics, writing, Bible, numbers, and skills—even if it's your first year.
- Get easy-to-implement tips for keeping your students focused and learning each day, plus strategies for including digital technology.

 **FRIDAY, AUGUST 11, 2023** 8:30 a.m.–3:30 p.m.  
*Refreshments & lunch provided*

**ELEMENTARY (Grades 1-6)**

**Purposefully Practical Material**

- Clarify the path from phonics to independent reading.
- Build your toolkit for an effective and enjoyable year with discipline tips, curriculum guidance, and remediation recommendations.
- Master methods to teach arithmetic concepts and to use history, science, and health to show God's hand in everyday life.

**SECONDARY (Grades 7-12)**

**Intensive, Interactive Sessions**

- Strengthen the four fundamentals of teaching while learning new strategies to apply these principles.
- Explore the practical procedures and management techniques for creating a learning environment that fosters student growth.
- Consider how naturally the biblical worldview, critical thinking, and even remediation can be woven through each lesson.
