

## Why Attend In-Service Training?

"Cindy Quinlan was one of the best resource trainers I've been in a session with. Loved her details, her interaction with us. Her excellence causes me to be the best I could ever be. So much great content."  
—Nicholle Y., Teacher

"Even after teaching over two decades, I learned so much today."  
—Jeanette A, Teacher

"Mrs. Sweet is very knowledgeable and enthusiastic. She uses the perfect mix of presentation and interaction."  
—Renee L., Administrator

"I feel so much more confident! The overwhelm of being lost on curriculum has passed! Thank you!"  
—Rebekah W., Teacher

# IN-SERVICE TRAINING

2025

*Equip yourself  
for a successful school year!*

Join us at  
**IN-SERVICE 2025**  
and earn six contact hours  
of educational training.

Content-rich sessions **encourage** and **help** teachers  
and administrators with techniques and methodology  
that **enhance classroom instruction and learning.**

 **HERITAGE PREPARATORY SCHOOL**  
6000 W Colonial Drive  
Orlando, FL 32808

 **MONDAY, JULY 21, 2025** 8:05 a.m.–3:30 p.m.  
*Refreshments & lunch provided*

**PRESCHOOL/KINDERGARTEN**

**Engaging, Easy-to-Follow Information**

- Learn how to confidently teach preschool and kindergarten phonics, writing, Bible, numbers, and skills—even if it's your first year.
- Get easy-to-implement tips for keeping your students focused and learning each day, plus strategies for including digital technology.

 **TUESDAY, JULY 22, 2025** 8:05 a.m.–3:30 p.m.  
*Refreshments & lunch provided*

**ELEMENTARY (Grades 1–6)**

**Purposefully Practical Material**

- Clarify the path from phonics to independent reading.
- Build your toolkit for an effective and enjoyable year with discipline tips, curriculum guidance, and remediation recommendations.
- Master methods to teach arithmetic concepts and to use history, science, and health to show God's hand in everyday life.

**SECONDARY (Grades 7–12)**

**Intensive, Interactive Sessions**

- Strengthen the four fundamentals of teaching while learning new strategies to apply these principles.
- Explore the practical procedures and management techniques for creating a learning environment that fosters student growth.
- Consider how naturally the biblical worldview, critical thinking, and even remediation can be woven through each lesson.

**BONUS SESSION:** *Optimizing Abeka Digital Resources*

*Space may be limited.*
