WHY ATTEND IN-SERVICE TRAINING?

"42-year veteran of the classroom, and I can't remember a better investment of my time. Thank you!"

-Ged T., Teacher

"Great information with tools to both challenge teachers and encourage students."

-Stephanie A., Teacher

"The speaker was amazing and thoroughly explained each topic. I'm leaving with a confidence on how to help assist my staff."

-Anita W., Administrator

"This was a great training. I am going home with a toolbelt full of resources to improve student learning."

-Debbie T., Teacher

**AUG
25**

ELEMENTARY (Grades 1-6)

Proven Systems for Confident Teaching

- Learn how to cultivate orderly habits of the heart, shaping both character and classroom culture through biblical truth and thoughtful management.
- Strengthen your approach to essential skill subjects—language, arithmetic, and spelling—with structured, effective methods.
- Walk away with ready-to-use systems that help you organize instruction, streamline planning, and teach with greater confidence.

**AUG
25**

SECONDARY (Grades 7-12)

Clear, Deliberate Instruction

- Build instructional discernment by learning how students process information and how cognitive load impacts their ability to learn new material.
- Strengthen student learning by habituating review strategies that improve retention, organization, and thinking.
- Examine the philosophical roots of modern education practices and evaluate them through a biblical and practical lens.
