Master Video Program

Accredited Enrollment Plan 2019–2020

Abeka Academy provides a **fully Accredited Enrollment Plan** for students enrolled in your Master Video School.

Since your school is using this quality video instruction program, your K5–grade 12 students can enroll in an optional Accredited Enrollment Plan to receive the benefits of an accredited transcript and diploma from Abeka Academy.

It's simple! Your school continues to offer Abeka Academy video courses, and students remain enrolled and pay tuition in your video school. You simply send us the graded work and progress reports for each video student who chooses to enroll in the accredited plan. Abeka Academy will validate and record each student's progress, and each student will receive a complete and official academic record.

Why the Accredited Enrollment Plan Is Right for Your School

- Promotes your school as providing an accredited plan of study
- Eliminates the cost of accrediting your school
- Abeka Academy saves your school time by keeping students' records and generating official transcripts.
- Online tracking of students' progress
- Provides flexibility for individual students
- Provides an accredited Abeka Academy diploma upon completion of graduation requirements

As a video instruction provider, Abeka Academy is accredited by the Florida Association of Christian Colleges and Schools (FACCS) and the Middle States Association of Colleges and Schools Commissions on Elementary and Secondary Schools (MSA CESS).

You can make this **innovative plan** available to your students on an individual basis for an annual enrollment fee of

\$200
Per Student

Terms and Conditions

- Participation in the Accredited Enrollment Plan is available on an individual student basis and does not imply the accreditation of any institution. Schools may advertise that they offer an accredited program of study, but must not state or imply that they have gained accredited status.
- \$200 Enrollment Fee is due before application will be processed.
- Notify Abeka Academy immediately upon any student's withdrawal from the plan.

Course Requirements

- A minimum of 6 credit hours must be earned through Abeka Academy Accredited Enrollment Plan with at least 4 credits earned during the senior year.
- Students enrolling in ABA Accredited Enrollment Plan must be proficient in the English language.
- Alterations cannot be made to academic requirements for any course. All subjects must be attempted in order for students to continue in the Accredited Program.
- Bible is a required course and must be completed in order to continue in the Accredited Program.
- Only students with a documented "A" average in grade 7 math may take Algebra 1 in grade 8.
- Progress Reports, along with all tests and exams and other specified course requirements, must be received in the ABA Office in order to validate student work and issue credit.
- Accredited students are required to watch all video lessons for all courses in which the student is enrolled unless that course is not offered by video.
- Credit is accepted upon receiving an official high school transcript showing credit earned for the course. Dual enrollment credits on college transcripts will not be accepted.
- ABA is unable to provide an accredited special needs program. If the Accredited Program requirements cannot be met, the student may not be able to participate in the Accredited Program.
- Dropping courses after 60 days from the assigned begin date may result in academic penalty.
- Students must be between the ages of 16 and 19 years old to graduate from Abeka Academy.

Enrollment

- Accredited Enrollment Plan is available only to full-time Master Video Program Students.
- Students must enroll for at least one semester to participate in the Accredited Program.
- Applications must be received by October 1st to participate in a full year of accreditation or by February 1st for second semester.
- If the student enrolling attended a school or was homeschooled through any method other than ABA's Accredited Program the previous year, an official transcript is required. Enrollments for second semester grade 9 or full grades 10-12 will require a transcript to be received and evaluated before the application may be processed.
- Please understand that the courses selected may change based on the evaluation of previous transcripts to ensure that the student will be enrolled in the proper classes. You will be contacted once the transcript is evaluated if any of the courses selected need to be changed.

Student Work

- Accredited Master Video Program students are expected to do their own work and should be supervised during all quizzes and tests. Students should never have access to test and quiz answer keys. All written work is checked for plagiarism.
- All student work should be kept current to ensure academic progress.
- All student work submitted becomes the unconditional property of ABA.
- School administration may request that a decision affecting the student's academic standing be reconsidered by contacting the ABA Academic Office. The Academic Committee will review the situation and determine whether the decision in question should stand. The decision of the Academic Committee is final.
