"I have had my children enrolled with Abeka now for 7 years. My son went on to score the highest possible on the ACT and 2 others have received the Presidents National Merit award for their academics. One more of my children was chosen to be one of 200 out of 6000 students chosen for a special space program at NASA. Abeka played a major role in my children’s success." — Juliet W.

We would like to say thank you to the entire Abeka staff. Our son, Luke, is finishing his junior year of the DVD Accredited program. He has been an Abeka student since the 6th grade. He took the ACT two weeks ago and we just received his test scores. His composite score was a 28. He is pleased with his score, but still plans to retest in September. We love your program and always recommend Abeka to anyone who asks. Thanks again!

—Joe M.

We have three children who have used Abeka Academy for their entire school career. Collin and Connor graduated from Abeka back in 2013. They were the first two siblings to ever receive the Buchanan Fellowship in the same year at Middle Tennessee State University (the largest university in the state of Tennessee). The Buchanan Fellowship is the highest scholarship offered at the university. It has paid for all four years of schooling for each child. Words could not express how grateful we were to have had such an INCREDIBLE homeschooling experience using Abeka Academy! UNTIL this year!!!

—Dr. David and Lorrie M.
