Discussion/Application

1. Elisha spent many years serving Elijah and was willing to do any job. This  
   helped prepare him for the bigger job God had for him. Sometimes we get  
   tired of waiting. We want to do something now, but we are not ready. We  
   have to learn to do smaller things before we can do the bigger things.  
   Anyone who has accepted Jesus as Savior should want to serve God. We can  
   serve God in any place at any time. Someday, God may call you to pastor a  
   church, be a missionary, be a doctor, or work at home. What can you do now  
   that would honor the Lord and help you prepare to continue to serve God  
   later in your life?
2. Throughout Elisha’s life, Elisha had the power of God upon him. When Elisha saw a need, he depended on God to fulfill that need. There were times when God met the need immediately. There were times when Elisha had to wait before God met the need. Can you think of an example of someone coming to Elisha with a need? How did God answer that need?

3. When we accept Jesus as our Savior, we have the privilege of going directly to God in prayer. God cares about every need in our life. Genesis 18:14 says, “Is anything too hard for the Lord?” There is nothing too hard for God. What needs do you, your family, or friends have today? Have you asked God to meet those needs? 1 Peter 5:7 says, “Casting all your care upon him; for he careth for you.”

4. Matthew 7:7 says, “Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you.” Have you had a time when God answered your prayer? It is encouraging to share answers to prayer with others. Is there an answer to prayer that you want to share now?

5. What was your favorite part from the life of Elisha, and what did you learn from it?
The little maid did not choose to be taken to Syria as a slave, but God’s plan for her was bigger than it first appeared. She was like a missionary because she told Naaman’s wife where Naaman could find the prophet of God. Because Naaman listened, he also came to believe in the one true God. Being a missionary is simply telling other people about Jesus. You don’t have to go to another country—you can be a missionary anywhere! Someday, if God does call you to be a missionary in another country, would you be willing to go? You may be curious about what it is like to be a missionary. One way to find out more about missionaries is to write to them. You can learn about the country and people they serve by asking them questions. Ask your pastor or teacher for suggestions of a missionary that you could email. Make a list of the questions you would like to ask.

Remember to pray for missionaries, too!
