When someone does something against you and then comes to you and asks for forgiveness, do you forgive? Sometimes it is hard for us to forgive others. We have a hard time forgetting or getting over the hurt. What are some things that you could do to help you forgive someone? *Answers vary. Ask God to help you forgive him. Pray for that person. Include him in games or play. Look for ways to be nice to him.*

5. What did Jesus tell Peter when he asked how many times he should forgive?
See answer below.

6. What was your favorite parable, and what did you learn from it?

Something to Think About

In the parable of the talents, each man was given a different number of talents. Two were faithful in investing their talents, and one was not. The two who invested the talents had more to give back to the master when he returned. In the parable, talents refer to money. For us today, a talent is a gift or ability given to us by God. God gives us a variety of gifts to serve Him. It honors God when we develop the talents He has given us and use those talents for Him. For example, you may be taking music lessons now, but someday you may play an instrument or sing a song in church. You may have the ability to meet new people and to make them feel welcome in class. God may use you to greet visitors and to make them feel welcome in church.

1. What do you enjoy doing now? *Answers vary.*

2. What are ways God could use your talents in the future? *Answers vary.*

3. What are ways God could use your talents now? *Answers vary.*
