Keep your child's reading skills strong with the *Reading for Fun Enrichment Library*.

Make this summer a time to take a step **FORWARD**, not a step back.

Sometimes, children forget what they've learned if they don't keep up their brand-new reading skills over the summer.

Your child can stay ready for 1st grade—while having a ton of fun—with the *Reading for Fun Enrichment Library*.

Compelling stories and unforgettable characters will fit right in with how your child is spending the summer: playing outside, helping around the house, taking trips—plus Bible stories, learning about animals, and character-building themes.

Promote reading progress with 3 levels based on the same curriculum used at school.

Now available in a digital format OR with a convenient storage box, this library can easily travel wherever the summer takes you.
